

AGREEMENTS AND WAIVER

I, the undersigned, agree and consent to the following as a condition of participating in the New Canaan Library MakerLab program, by signing below.

I agree to comply with the Library policies contained in this document.

I agree to use the MakerLab 3D printers only while I have my certification from Library staff.

I am aware that the New Canaan Library MakerLab Program is an experimental program with novel equipment, such as 3D printers, and that, while the Library makes reasonable efforts to maintain safe conditions, participation may result in personal injury . I agree to bring any unsafe condition to the attention of library staff. I represent that I am in good physical condition and have no medical or physical conditions that would restrict my participation in the MakerLab program. I hereby give permission to the New Canaan Library, Inc., to arrange emergency transportation or treatment in the event of my illness or injury while at the Library and I accept responsibility for paying for such transportation or treatment.

I hereby release and hold harmless the New Canaan Library, Inc., its officers, employees, volunteers, committees and boards, from and against all liability, and I and any parent or guardian signing for me below hereby agree to indemnify them against any loss, damages, claims, costs (including attorneys' fees) or actions of any type, resulting from bodily injury, property damage, or any other loss that may result from my participation in any MakerLab program or use of MakerLab equipment, including specifically 3-D printers.

I have read and understand this release and indemnification. I am signing voluntarily in order to obtain access to the MakerLab program and equipment.
